Simultaneous language translation & interpretation
services

**Words travel across worlds and
translators are those who carry
them**

Our company

Our company, IDIOMAS Y EVENTOS LTDA., was founded by Marcial Díaz C. as an entrepreneurial venture in 2009, with the goal of providing language services (interpretation, translation, and subtitling), mainly in English, German, and Spanish.

Today, we also work with other languages such as French, Portuguese, Italian, Russian, Chinese, Arabic, among others.

Our mission

Our main objective is to earn the satisfaction and trust of our clients. We work daily to offer the highest quality and professionalism to the companies and institutions that trust us with their translation and simultaneous interpretation needs.

Our services

Hybrid or combined simultaneous translation services, both on-site, and remote.

From/to English, Portuguese, French, German, Russian, Chinese, Arabic, and other languages.

With implementation of programs and apps of Artificial Intelligence, AI, for more competitive and flexible services.

With complete sound systems for simultaneous translation at events, congresses, seminars, conferences, workshops, and more.

By means of platforms such as ZOOM, and WEBEX, as well as technical support for streaming.

Our clients

We have provided services throughout Chile, and most of our clients currently come from the public, and private sectors.
